

Experiences on Trip Used As Sermon Guide by Rector

Having just returned from a 7000 mile vacation trip to Canada, Father Hugh R. Percy, Rector at St. Andrew's Episcopal Church, has had recent, extensive, and personal experience with roads and water. He traveled many kinds of roads, free ways, highways, city streets, country lanes, and mountain trails. He met with water in rivers, falls, lakes, rain, and city water systems.

shortcomings. The "mountains" are our heights of vanity and conceit which must be "made low" by humility if Christ is to reach our hearts.

The "uneven ground" is the crooked twists and turns in our road of life brought about by the deceptions, lies, and cheating in small ways that many of us commit.

THESE MUST be straightened or "become level" through complete honesty. The "rough places" are the anger, ill-will, petty hates, gossip, and bad humor that make our course through life full of bumps and jolts. Eliminating them makes life more a "plain."

When this program of reconstruction in our lives is complete, we will have a broad, level, smooth highway through our hearts that will be a "freeway" for Christ's love. Father Percy's sermons on "Roads" are at the 11 o'clock services; on "Water" at 9:15 services, Sept. 13, 20, 27 at the church, 1432 Engracia Ave. "Highways" will be the topic Sept. 13.

FIRST PLASTICS
Manufacture of plastics originated in the U. S. in about 1869, when a formula was used for making celluloid.

Substance Is Topic of Sunday Lesson-Sermon

What is the true nature of substance, material energy or spiritual power? Are there spiritual laws and tangible realities which can be found and which bring human thought and experience closer to a practical daily understanding of the presence and power of God? The Lesson-Sermon on "Substance" in all Christian Science churches on Sunday goes into these questions and speaks of God and His laws as true substance.

The Golden Text which keynotes the sermon is from James (1:17), "Every good gift and every perfect gift is from above, and cometh down from the Father of lights, with whom is no variableness, neither shadow of turning."

"What is substance?" questions the first reference read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy. The definition then follows, in part, "Substance is that which is eternal and incapable of discord and decay. Truth, life, and Love are substance, as the Scriptures use this word in Hebrews: 'The substance of things hoped for, the evidence of things not seen' . . . The spiritual universe, including individual man, is a compound idea, reflecting the divine substance of Spirit" (p. 468).

Paul speaks in this vein in a correlative Bible passage from II Corinthians, where he declares, "We look not at the things which are seen, but at the things which are not seen; for the things which are seen are temporal; but the things which are not seen are eternal" (4:18).

Good News Club Opens Area Study

"Let's go to Good News Club."

This invitation will be repeated in many neighborhoods as boys and girls will be meeting. The Good News Club is a special kind of Bible Club held right in the homes near the children. This is the work of Child Evangelism Fellowship.

It is inter-denominational, is organized on an international scale and broken down into local groups. Locally it is Torrance Area C. E. F. and includes Torrance, Gardena, Lomita, Harbor City, Rolling Hills, Palos Verdes and Walteria. The area director is Mrs. Ethel Long, 1417 W. 216 St. Volunteer teachers from various churches, teach in their own home, or a home opened to them.

A training program makes this a very effective means of giving the Word of God to our boys and girls. Day and evening classes are available without charge to all interested persons.

Beginning Monday, Sept. 14 at 7 p.m. the evening class will meet weekly at the Hope Evangelical United Brethren Church; 3343 W. 174 St. The day class will be held beginning Tuesday, Sept. 15, 10 a.m. at the First Baptist Church of Torrance, 2118 W. Carson St. These classes will be taught by Mrs. Ethel Long. They will feature Visual Aids in Bible stories and also in songs and memory work.

Churches

Guest Speaker Scheduled for El Nido Service

At El Nido First Baptist Church, 4558 W. 182nd St., at the Sunday morning worship service Sept. 13 at 11 a.m., in the absence of Rev. Leland L. Pisel, pastor on vacation, Rev. H. P. O. Philpotts will be speaking. At the 7:30 p.m. service Mr. Maurice Woods and his musical group will be in charge. B.Y.F. groups will meet for all ages at 6:30 p.m. and a nursery for small children.

The regular prayer and Bible study is held each Wednesday night at 8 p.m. Sept. 16, Mr. Russell Stirtz will have charge of the meeting.

The Pace Setters Sunday School Class and the Choir are planning a luau at the home of Mrs. Jean Elmore Sept. 12 at 6:30 p.m.

The Missionary Society will be meeting Wed., Sept. 16 at the church at 10 a.m. Mrs. Roland Klein will preside at the business meeting. Mrs. Wilbur Griffith will give the Love Gift Meditation, and Mrs. Mary Condon, program chairman, will present a most interesting program. Luncheon at noon will be served. Hostesses will be Mrs. Stirtz and Mrs. Klein.

Chapel Says 'Clean Warehouse' Bill Should Have Been Signed

By CHARLES E. CHAPEL, Assemblyman, 56th District
All the bills I introduce in the State Legislature are not necessarily signed by the Governor and become laws. One of these was my Assembly Bill No. 1787, which passed both houses of the Legislature and went to the Governor's desk, but it was apparently "pocket vetoed."

Why he did this, I do not know, but will leave any opinions to the good judgment of my readers. The purpose of the bill is obvious by reading it and it was introduced by me simply as a sanitation measure in the interest of the public. The bill reads as follows:

"THE PEOPLE of the State of California do enact as follows:

"Section 1. Chapter 7.5 (commencing at Section 28350) is added to Division 21 of the Health and Safety Code, to read:

"Chapter 7.5. FOOD WAREHOUSE SANITATION

"28350. 'Warehouse' as used in this chapter means every elevator, building, structure, or other protected enclosure within this State in which food or food materials for human consumption are stored, except privately owned enclosures in which an individual stores food or food materials for his own or his family's consumption.

"28351. All warehouses shall be maintained in a clean and sanitary condition, and shall not contain rodents, filth, dirt, or any other materials unfit for human consumption.

"28352. The department and the health officers of any city or county may inspect any warehouse to determine the sanitary condition thereof.

"28353. Any warehouse not maintained as required by this Chapter is a public nuisance.

"28354. Upon any inspection showing the existence of a public nuisance, the warehouseman shall be notified in writing of that fact, and the notice shall require abatement of the nuisance within a specified time.

"28355. If any warehouseman shall fail to abate the nuisance within the time specified in the notice, the person conducting the inspection shall notify the district attorney of the county in which the nuisance exists, and upon receipt of such notice the district attorney shall forthwith bring an action in the name of the people of the State of California to abate the nuisance."

HONORED SUBS
More decorations for valor have been awarded, per man, to the submarine service than any other Navy branch.

sumption are stored, except privately owned enclosures in which an individual stores food or food materials for his own or his family's consumption.

"28351. All warehouses shall be maintained in a clean and sanitary condition, and shall not contain rodents, filth, dirt, or any other materials unfit for human consumption.

"28352. The department and the health officers of any city or county may inspect any warehouse to determine the sanitary condition thereof.

"28353. Any warehouse not maintained as required by this Chapter is a public nuisance.

"28354. Upon any inspection showing the existence of a public nuisance, the warehouseman shall be notified in writing of that fact, and the notice shall require abatement of the nuisance within a specified time.

"28355. If any warehouseman shall fail to abate the nuisance within the time specified in the notice, the person conducting the inspection shall notify the district attorney of the county in which the nuisance exists, and upon receipt of such notice the district attorney shall forthwith bring an action in the name of the people of the State of California to abate the nuisance."

"28355. If any warehouseman shall fail to abate the nuisance within the time specified in the notice, the person conducting the inspection shall notify the district attorney of the county in which the nuisance exists, and upon receipt of such notice the district attorney shall forthwith bring an action in the name of the people of the State of California to abate the nuisance."

IF YOU agree that the above bill was a good bill and should have been signed by the Governor after it was passed by both houses of the Legislature without material objection, then write to me at P. O. Box 777, Inglewood 5, Calif., and say so. If enough of you agree that the bill was important to the welfare of the State of California, then I shall introduce it again during the general session of 1961.

I am still receiving letters from people who object to noises from airplanes taking off from or landing at the Los Angeles International Airport. These complaints come not only from Inglewood and Westchester, but from Playa del Rey, El Porto, El Segundo, Manhattan Beach, Hermosa Beach, Redondo Beach, Hollywood Riviera section of Torrance, Palos Verdes Estates, Portuguese Bend, Rolling Hills, Rolling Hills Estates, and the ever beautiful Santa Catalina Island, including the city of Avalon, but all these complaints to me are of no avail because the State of California has no authority over these airplanes. In reporting these complaints, please write to your own County Supervisor, and to your own Congressman, and both United States Senators.

Enlarged and improved facilities await students at the school at Torrance Blvd. and Redondo Beach boundary. Twenty-one classrooms, including laboratories, mechanical drawing rooms, and a multiple purpose room, cost about \$400,000, Father McNulty said.

Baseball and football fields have taken on a new look with grading, seeding, and installation of new sprinkling system, lights for night games, and 1500 bleacher seats.

In addition to the cost of these improvements, the new facilities represent many hours of "generously donated help by parents of students at Bishop Montgomery and the Knights of Columbus," Father McNulty said.

SEVERAL VERY important men, such as Doctors of Medicine, Doctors of Osteopathy, and Chiropractors, have written to me at P.O. Box 777, Inglewood 5, that they have been notified by the Department of Motor Vehicles in Sacramento that if they have one more "ticket for a moving violation" issued by a law-enforcement officer, they will lose their driver's license, regardless of the importance of their occupation. This is correct. I cannot and will not do anything about it. Drive cautiously, drive slowly, drive soberly and obey all laws! If you do not like this, it is not my fault. It is the law of California, for which both Democrats and Republicans voted, including me.
